

STUDENT CAR POLICY

1. Students need the permission of the Head of Department Curriculum and a permission note from parents before a vehicle is allowed on College property.
2. The vehicles are only to be driven off the farm property when the students are going home.
3. In most cases the vehicle owner/driver should be the **only** person traveling in the vehicle. A student may take other student passengers to their home destination, once written permission giving approval from all parents has been received (as in point 5 below) and approval has been cleared with the Head of Department.
4. Students are not permitted to drive their vehicle in Morawa during any weekend or at any other time during which the student is on leave from the College, other than to drive **directly** between the College and home.
5. A letter from the parent/guardian giving permission for the student driver to drive home must be given to the College as per Student Hostel Leave Policy before the vehicle is allowed off the property.
6. On returning to Morawa, the vehicle shall be taken to the hostel where the student should sign in and unpack. The student will then need to arrange with the supervisors to have their vehicle transferred to the farm. No spare keys are to be retained by the student. All keys will be retained by the HOD Curriculum.
7. A suspension of a farm license may result in the removal of the privilege of keeping a vehicle at the College
8. Student vehicles will not be permitted for travel to school organised activities such as camps.
9. Student vehicles may be used to travel to work experience with parental permission.
10. Students will not be permitted to work on their vehicles during class time unless they have received permission from Teacher In Charge.
11. Students are not to be around vehicles at any time except for the purpose of taking the vehicle for a leave weekend.
12. Vehicle parking area is out of bounds to all students.
13. Breaches of any of these rules will result in loss of privilege of keeping a vehicle on site.
14. Parents must ensure vehicles are roadworthy.
15. College reserves the right to inspect vehicles and luggage on return of vehicle to College site due to previous students returning with prohibited substances.
