Disclaimers

This course is half price for everyone (excl. school students) as part of the *Lower Fees, Local Skills* initiative. Fees are also capped at \$1,200; or \$400 if you're aged 15–24 or eligible for a concession. Find out more [here](#).

^ You'll pay half price course fees on Lower fees, Local Skills qualifications, however please note other fees may apply such as for resources that are specifically needed for your course.

Please note: Course information and fees are subject to change without notice.

- Fees may differ between campus locations due to the difference between elective units in the course study plan or a need to adapt

courses to meet local industry needs.

- Fees may also differ for individuals depending on units of study selected, prior qualifications and recognition of prior learning (RPL).
- Fees are payable at the time of enrolment.
- Total fees quoted include tuition fees and resource fees. You may also be required to purchase text books, uniforms or other personal equipment that are not included in this fee estimate.
- For Lower Fees, Local Skills (half-price) courses please refer to additional eligibility information above.
- Concession rates: If eligible, proof of concession must be presented.
- Concessions and the secondary school age fee cap do not apply to commercial courses (short courses), or Foundation Programs (i.e. ESL and General Education).
- Secondary school aged persons (in 2024, students born on or after 1 July 2006 who are at least 15 years old in 2024) undertaking training that is *not* part of a VET Delivered to Secondary Schools program, the maximum course (tuition) fee chargeable is \$420. Additional resource fees and discretionary fees may apply.
- VET Student Loans for eligible courses and fee caps may be subject to changes implemented by the Australian Government.
